

December 10, 2018

Junior High boys and girls soccer will officially begin January 8, 2019. **Tryouts will take place January 8, 9, 10, and 11th. Rosters will be posted at 5:00 on January 11th.** Players should report to Coach Gay and Coach DiPuma's rooms at 2nd wave dismissal each afternoon. Pickup will be at 4:30 in the gym parking lot.

Players **ABSOLUTELY CANNOT** stay without a current physical and updated paperwork on file with the athletic department. (If a student does not have a physical, they will be asked to call a parent to come pick him/her up.)

As commitment is a factor considered in selecting players, if you cannot attend a session, you must contact the coach.

If you are currently involved in a winter sport that conflicts with the above dates, please come talk with your coach regarding alternate tryout information.

Regular team practices will begin on January 14 until 5:00 at PJHS. Practices will be held Monday-Wednesday. Our matches are currently scheduled on Thursdays. We will typically not practice on Fridays. Our first match is currently scheduled for February 7th. Home matches are currently scheduled to be played at PHS.
