---

## 11.17.20--School Advisory Meeting Agenda

1. Meeting Norms
2. State of PJHS
  - a. Covid-19
    - i. Quarantined over 100 students at this point in time
    - ii. Three positive cases in building this year
    - iii. 2 Week Closure: (5% quarantined at PJHS)
      1. Student Engagement Rates
      2. Feedback from Council Members
        - a. Live Meets
          - i. Live meets have been beneficial as students need the human interaction especially during times of school closure.
        - b. itsLearning
          - i. After the initial learning curve, itsLearning is easy to navigate and it's nice to have all teachers and content in the same place.
        - c. Connectivity
          - i. Were there issues with connectivity? A bit beyond our control at this point; however, we are open to any suggestions you guys might provide.
        - d. Reaching school personnel
          - i. Contact was timely and teachers were available to meet the needs of the individual student
    - iv. Granted clearance to move band and chorus inside this week using specific precautions
    - v. Crystal ball
      1. Thank you to the school community for continued support during this time of uncertainty and bouncing back and forth between distance and traditional learning.
      2. Please continue to support should we encounter distance learning again.
  - b. Successes of Fall
    - i. Softball Mt. League Champs (2x)
    - ii. 7th Football League Champs
    - iii. Michael Parker named GAMSP Outstanding Assistant Principal
  - c. SIP
    - i. Academics

1. Will update at February meeting based off of December benchmarks
    - a. The next benchmark window will open December 7.
    - b. Students will take a STAR Reading, STAR Math, and Write Score assessment during that window.
  2. Development of Action Plans
    - a. Teachers worked with the academic coach and administration during PLC time to analyze student assessment data, identify major common weaknesses within each grade level department, devise a strategy/strategies to attack identified the identified problem, determine how long the strategy/strategies would be implemented, and how impact would be measured.
    - b. Impact will be assessed at a time determined by each individual department's action plan, and results will be shared during February's meeting.
- ii. Behavior
1. Current Progress
    - a. 2019-20 Referral/Minor Incident Count (Aug-Nov)
      - i. 205 Office Referrals
      - ii. 652 Minor Incidents
    - b. 2020-21 Referral/Minor Incident Count (Aug-Nov)\*
      - i. 38 Office Referrals
      - ii. 115 Minor Incidents
  2. Purchased Suite360
    - a. Implementation has begun in school
    - b. Parent access will be forthcoming
      - i. Parent access flyer will go home in the PJHS newsletter on November 20, 2020.
  3. How to Be a Dragon Committee Meeting
    - a. Committee was formed in response to principal evaluation feedback. Teachers would like to see more consistency in disciplinary procedures.
    - b. Statistical data was shared/analyzed outlining the changes in family structure and social issues over the last 60 years.
    - c. Teachers were asked to identify major discipline issues and provide possible solutions by the next meeting. The group will work together with students
